

Ottawa River Coalition

2025 MEMBERSHIP & SPONSORSHIP

The Ottawa River Coalition was formed in 1993 to preserve and protect the river; and dozens of businesses, industries, governments, organizations, and individuals work together toward that common goal. The Ottawa River is healthier now than it has been in decades because people are making positive impacts. A healthy river supports a healthy community.

Membership is open to any firm, agency, organization, institution, corporation, or governmental unit interested in promoting the wise management of the Ottawa River. Voting membership requires \$100 annual dues. Voting and non-voting memberships both involve the submission of this completed membership and sponsorship form.

Sponsorship is designed to provide funding to the organization beyond membership dues and is the primary way that modest staff support is ensured. There are three levels of sponsorship:

Gold \$5,000 and higher
Silver \$1,000 to <\$5,000
Bronze <\$1,000

Donations Fully Tax Deductible as the Coalition is a 501(c)(3) organization that does not lobby. FEIN# 34-1760201.

Fundraising primarily consists of this annual membership, sponsorship appeal, and the annual Good Friday Fish Fry.

Individual Citizens can participate in any activity, meeting, event, or committee.

Working Together to
Understand and Protect
Water Quality in the Ottawa
River Watershed Since 1993
